

**CONFIDENTIAL**

**MEMORANDUM FOR:** Acting Director of Training

**SUBJECT :** Foreign Language Development Program

**REFERENCE :** Memo dtd 17 Feb 56 to DCI fr Chrm., Ad Hoc Committee on Foreign Language Development Program, same subject.

1. I am returning herewith the referenced staff study concerning the development of a Foreign Language Program. The Career Council and the Director have approved of this Program provided no payment of monetary awards is made until approval to do so is received from the Comptroller General.

2. Favorable action is anticipated by the Comptroller General; however, in the meantime most, if not all, of the Program can be implemented with this exception. The Director of Training is responsible for such implementation with the least practicable delay, and it should be attacked with the same vigor that the task force which produced the staff study went about its work.

3. In order that we may be kept advised of the progress of this Program, I should like to have a monthly report submitted to me until further notice.
